

## CALVERT CLIFFS IN THE COMMUNITY

Calvert Cliffs' employees continue to move their communities forward by being positive role models and responsible citizens more and more in each passing year. In 2006, Constellation Energy and its employees at Calvert Cliffs contributed more than \$300,000 to support valuable community organizations and events.

Calvert Cliffs philanthropic efforts include:

- Raising \$273,096 for the United Way Campaign
- Saving lives by participating in American Red Cross Blood Drives
- Giving presentations at Mutual Elementary School's career day
- Contributing \$5000 to the Christmas in April volunteer organization
- Raising \$8,500 for the Believe-in-Tomorrow Children's Foundation
- Co-coordinating the Tree of Angels Program with the Calvert County Department of Social Services
- Sponsoring the United Cerebral Palsy Telethon
- Donating over 450 volunteer hours to the United Way Day of Caring event

### **Black History Month**

Calvert Cliffs sponsors an annual Black History Month poster contest. This year, \$1,900 was awarded to local schoolchildren for their entries.

### **Wildlife Habitat Team**

The Calvert Cliffs Wildlife Habitat Team works hard to maintain the nature preserve that surrounds Calvert Cliffs Nuclear Power Plant. This year, with the help of some Cub Scouts from Laurel, Maryland, the team installed 22 blue bird boxes around the site and held a beach clean up day.
